### DETAILED ACTION

1. This application has been examined. The claims 3-8, 11-14 and 16-33 are allowed.

#### *Reasons For Allowance*

2. The following is an examiner's statement of reasons for allowance: None of the cited art teaches or suggests that means for supplying electric charges held in the capacitor element to the gate electrodes of the first transistor and the second transistor to be driven, wherein the first and second transistors are connected in a parallel connection state when storing electric charges in the capacitor element as claims 3 and 16; or feeding current supplied from the power source line to the current source line through the first transistor and second transistor, which are connected in parallel with each other; and feeding current from the power source line to an object to be driven through the first transistor and second transistor, which are connected in series with each other as claims 11-14, 22 and 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
